JOB SUMMARY:

The Navy and Marine Corps team offers innovative, exciting and meaningful work linking military and civilian talents to achieve our mission and safeguard our freedoms. Department of the Navy provides competitive salaries, comprehensive benefits, and extensive professional development and training. From pipefitters to accountants, scientists to engineers, doctors to nurses- the careers and opportunities to make a difference are endless. Civilian careers-where purpose and patriotism unite!

This position is located with the Facilities Planning Section, Public Works Branch, G-F Division, Marine Corps Installations Pacific (MCIPAC), U.S. Marine Corps Base, Camp Smedley D. Butler, Okinawa, Japan (Camp Foster). As a Supervisory General Engineer you will be responsible for planning, developing, programming and executing facilities projects.

KEY REQUIREMENTS:

Must be registered for Selective Service, see Legal & Regulatory Guidance.
Suitable for Federal employment as determined by background investigation.
Selectee may be required to successfully complete a probationary period.
You must obtain and maintain a Secret security clearance.
U.S. Citizenship required.

DUTIES:

Prepare and manage Military Construction (MCON) and Non-Appropriated Fund (NAF) annual programs. Assign work to subordinates based on priority and difficulty of assignments. Perform functional design reviews to ensure compliance with the intent and requirements of the design criteria package. Determine, coordinate, and monitor accomplishment of milestones for each assigned project (i.e. programming documents, siting approval, and construction schedules). Formulates, prioritizes, and manages annual and five year programs for Government of Japan construction projects. Responsible for adequacy of facilities planning documents, demolition lists, space assignments, and all other information essential to the planning mission and preparation of master plans for future development.

QUALIFICATIONS REQUIRED:

In order to qualify for this position, your resume must provide sufficient experience and/or education, knowledge, skills, and abilities, to perform the duties of the specific position for which you are being considered. Your resume is the key means we have for evaluating your skills, knowledge, and abilities, as they relate to this position. Therefore, we encourage you to be clear and specific when describing your experience.

1. Basic Requirements:

Applicants must have successfully completed a bachelor's or higher engineering degree from an accredited college or university. To be acceptable, the curriculum must:

- (1) be in a school of engineering with at least one curriculum accredited by the Accreditation Board for Engineering and Technology (ABET) as a professional engineering curriculum; or
- (2) include differential and integral calculus and courses (more advanced than first-year physics and chemistry) in five of the following seven areas of engineering science or physics:
 - a. statics, dynamics;
 - b. strength of materials (stress-strain relationships);
 - c. fluid mechanics, hydraulics;
 - d. thermodynamics;
 - e. electrical fields and circuits;
 - f. nature and properties of materials (relating particle and aggregate structure to properties); and
 - g. any other comparable area of fundamental engineering science or physics, such as optics, heat transfer, soil mechanics, or electronics. Such education must demonstrate the knowledge, skills, and abilities necessary to do the work of the position.

OR

Have a combination of college-level education, training, and/or technical experience that furnished

- (1) a thorough knowledge of the physical and mathematical sciences underlying professional engineering, and
- (2) (2) a good understanding, both theoretical and practical, of the engineering sciences. The adequacy of such background must be demonstrated by one of the following:
 - a. Professional registration: Current registration as a professional engineer by any State, the District of Columbia, Guam or Puerto Rico. Absent other means of qualifying under this standard, those applicants who achieved such registration by means other than written test (e.g. State grandfather or eminence provisions) are eligible only for position that are within or closely related to the specialty field of their registration; or
 - b. Written Test: Successfully passed the Engineer-in-Training (EIT) examination, or the written test required for professional registration, which is administered by the Boards of Engineering Examiners in the various States, the District of Columbia, Guam, and Puerto Rico; or
 - c. Specified academic courses: Successful completion of at least 60 semester hours of courses in the physical, mathematical, and engineering sciences and in engineering that included the courses specified in the basic requirements. The courses must be fully acceptable toward meeting the requirements of a professional engineering curriculum as described above; or
 - d. Related curriculum: Successful completion of a curriculum leading to a bachelor's degree in engineering technology or in an appropriate professional field, e.g., physics, chemistry, architecture, computer science, mathematics, hydrology, or geology, may be accepted in lieu of a degree in engineering, provided the applicant has had at least one year of professional engineering experience acquired under professional engineering supervision and guidance. Ordinarily there should be either an established plan of intensive training to develop professional engineering competence, or several years of prior professional engineering-type experience, e.g., in interdisciplinary positions.

2. Additional Requirements:

In addition to mitting the basic qualification requirements, your resume must demonstrate at least one year of specialized experience at or equivalent to the **GS-12** grade level or pay band in the Federal service or equivalent experience in the private or public sector. Specialized experience is defined as experience that is typically in or related to the work of the position to be filled and has equipped you with the particular knowledge, skills, and abilities, to successfully perform the duties of the position. **Specialized experience** must demonstrate the following: Preparing and managing Military Construction (MILCON) and non-Appropriated Fund (NAF) annual programs, assembling and prioritizing projects, forecasting facility requirements.

QUALITY RANKING FACTOR: This position has a Quality Ranking Factor (QRF). This is a quality ranking factor that could be expected to enhance significantly the performance of the applicant in the position.

The QRF is a current registered professional engineer in one of the 50 States or U.S. Territories. (NOTE: You are encouraged to submit a copy of your license/certificate with your resume.)

You do not have to possess the QRF in order to be rated eligible; however, applicants possessing the factor may be referred ahead of other highly qualified applicants. Possession of the factor must be verified/stated in your resume.

Additional qualification information can be found from the following Office of Personnel Management web site: <http://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/0800/all-professional-engineering-positions-0800/>

PART-TIME OR UNPAID EXPERIENCE: Credit will be given for appropriate unpaid and or part-time work. You must clearly identify the duties and responsibilities in each position held, starting and end dates (Month/Year) and the total number of hours per week.

EDUCATION:

Are you using your education to qualify? For positions requiring positive education requirements, or if you are using education to meet all or part of the qualification requirements, you must submit a copy of your transcripts or an itemized list of college courses which includes equivalent information from the transcript (course title, semester/quarter hours, and grade/degree earned). See OPM's [General Policies](#) for information on crediting education.

Education completed in foreign colleges or universities may be used to meet the qualification requirements if the applicant can provide documentation indicating that the foreign education is comparable to that received in an accredited educational institution in the United States. It is the responsibility of the applicant to provide such evidence when applying for further information, visit: <http://www.ed.gov/about/offices/list/ous/international/usnei/us/edlite-visitus-forrecog.html>

REQUIREMENTS:

Generally, current Federal employees applying for GS jobs must serve at least one year at the next lower grade level. This requirement is called time-in-grade. **All qualifications must be met by the closing date of this announcement and clearly documented in your resume.**

Applicants must meet the time-in-grade requirements as of the closing date of the announcement to be eligible for consideration.

Selectee is required to participate in the Department of Defense direct deposit of pay program.

A Secret security clearance is a requirement of this position. Failure to obtain and maintain the required level of clearance may result in the withdrawal of a position offer or removal. If you possess a security clearance, please indicate the level and termination date in your resume.

Dual citizenship: If you have Dual Citizenship and possess a foreign passport, you will be required to surrender it to the proper authorities to be able to obtain and maintain a Secret/Top Secret Clearance

U.S. Citizenship: You must be a U. S. citizen (not dual citizen) to qualify for this position due to security clearance requirements.

Position requires the employee to drive a motor vehicle. An appropriate, valid driver's license is required for the position.

This is an Emergency-Essential (E-E) position. In the event of a crisis situation or war, the employee in this position must continue to perform assigned duties to support mission requirements until relieved by proper authority. The employee must sign a DD 2365 (DoD Civilian employee overseas E-E position agreement) and must be removed from his/her military recall status if alternatives for filling the position during an emergency are not available.

Applicants for this position must pass a pre-employment medical examination.

This is a supervisory position. If appointed to this position you must serve a one year supervisory probation period, unless you have already completed one as a manager. **This position has been identified as supervisory. As such you are required to document any work experience, on your application, that provided you the ability to supervise (including knowledge and support of EEO programs and leadership skills).

A reasonable amount of travel is required.

Routine on-site investigations may involve exposure to such conditions as hazards associated with buildings and facilities under construction.

Work is generally sedentary in nature with some requirements for walking and climbing when performing on-site investigations and inspections.

HOW YOU WILL BE EVALUATED:

When the application process is complete, your application package will be reviewed to determine if you meet the hiring eligibility and qualification requirements listed in this announcement. You will be rated based on the information provided in your resume and your supporting documentation to determine your ability to demonstrate the following knowledge, skills, and abilities/competencies:

- 1. KNOWLEDGE OF CONSTRUCTION CONTRACT REGULATIONS AND REQUIREMENTS**
- 2. KNOWLEDGE OF PUBLIC WORKS PROJECT FACILITY AND PROGRAM MANAGEMENT**
- 3. ABILITY TO LEAD AND SUPERVISE**
- 4. ABILITY TO COMMUNICATE ORALLY AND IN WRITING**

BENEFITS:

Department of the Navy offers a comprehensive benefits package that includes, in part, paid vacation, sick leave, holidays and a 401K-type retirement plan.

This position does not incur overseas allowances. Payment of travel and transportation expenses is not authorized.

OTHER INFORMATION:

This Position is subject to Department of Defense Priority Placement Program.

This announcement may be used to fill additional vacancies.

Recruitment incentives may or may not be authorized.

A tentative offer of employment will be rescinded if the selectee fails to meet the pre-employment requirements, including failure to report to any of the scheduled appointments.

Initial tour of duty is **24** months. Family members are tied to the sponsor's tour.

In the overseas areas, access for civilian employees and their families to military medical and dental treatment facilities is on a space-available and reimbursable basis only. Medical care may be provided by host nation providers. The availability and level of care at host nation medical facilities will vary by location. Movement overseas may require you to initiate a change in your health benefits plan to ensure coverage.

The Department of the Navy uses E-Verify to confirm the employment eligibility of all newly hired employees. To learn more about E-Verify, including your rights and responsibilities, visit www.dhs.gov/E-Verify.

Dual citizenship: If you are a dual citizen, please identify the countries of citizenship. The NATO Status of Forces Agreement prohibits employment in the U.S. Civilian Component in a host nation of any person who holds dual citizenship of the U.S. and that host nation. For example: A person who holds both Italian and U.S. citizenship may not be employed in the U.S. Civilian Component in Italy; however, that person is not prohibited by the NATO Status of Forces Agreement from employment in the U.S. Civilian Component in another NATO host nation of which (s)he does not hold citizenship.
