

Marine Corps Base Camp S. D. Butler/ MCAS Futenma FY24 EMS Objectives and Targets

In accordance with the MCB Camp Butler / MCAS Futenma Environmental Management System, the following Objectives and Targets are established for both MCB Camp Butler and MCAS Futenma for Fiscal Year 2024. These Objectives and Targets are reflective of risks to mission, and are consistent with and supportive of the MCIPAC-MCB Camp Butler Commanding General’s environmental policy statement. They are measurable and achievable within current economic and technological restraints. Full support of these Objectives and Targets is expected.
