

# Attention: SCUBA Divers

## SCUBA Product Recall

All NXDEEP, 1st Stage scuba regulators have been recalled due to a risk of injury and drowning hazard. This product was sold through independent diving stores and online from February 2019 through October 2022.

A defective screw on the turret connection can break, posing a risk of severe injury and drowning hazard for divers.

If you own an NX700 regulator, stop using it IMMEDIATELY.
