I understand that only one event can be advertised at a time for a maximum of 30 days. All Banners must be removed by owners within 8 hours of announcement of TCCOR-3. **Any banner not removed will be taken down by camp staff, and is subject to disposal. Failure to remove banners in designated time period will result in suspension of my unit's/ organization's banner privileges.** Requests to display banners on MCCS sports field fences require an approved endorsement from MCCS before submission to the camp for approval. Banners advertising approved fundraisers may be displayed but shall not advertise for, make referrals to, or encourage the use of any commercial business. Banners that are freehand spray-painted will not be authorized.

I have read and understand the Camp Policy regarding the display of banners aboard Camps Foster, Lester and Plaza housing.
